

Healthcare Simulation Essentials: Design & Debriefing (HSE)
(Simulation Instructor Training Course)

7 - 10 May 2024 @NUS

Addressing simulation & training needs of your institution during unprecedented times!

Register early for this world-renowned 4-day onsite intensive immersive course in healthcare simulation, led by experienced faculty from Harvard Medical School & NUS!

Don't miss out on this opportunity to upskill your teaching credentials!

A/Prof Suresh Pillai, Course Faculty

Topics: *Creating & running simulation scenarios; teaching clinical decision-making, teamwork & crisis resource management skills; developing debriefing skills, simulation assessment; advancing behavioural & educational research paradigms etc.*

Feedback from 2022 participants

"This course is great! The course is just a starting point, a building block! Now I know the science behind all the simulations I do! Really very good!"

"An excellent course! Awesome teaching and support team. Thank you."

Attendees expected to have background in simulation training
